

This is how the entry process works:

Steps 1.) to 5.) take a **few weeks** after your resume is checked. We verify your **language skills in German (B1 or B2)** or **English** and your application documents.

Step 6), Your **visa** application and recognition of **professional qualifications** depend on Iranian and German authorities and takes a little longer. We will improve your language skills in German during your waiting period.

Step 7.) will secure your **residency in Germany**.

Steps 8.) and 9.) will lead to an internationally recognised **professional qualification** and **permanent residence in Germany**, depending on your needs.

- 1.) We set up a phone/video conference with you in Farsi, German, or English: getting to know each other, focus on prerequisites and individual career goals.
- 2.) You **send your CV, application documents and your letter of application**.
- 3.) We coach you and give you strategic advices for your completion of the application documents and your preparation for the job interview.
- 4.) **Milestone:** Your **job interview** with the German employer
- 5.) **You sign your work contract**
- 6.) We finish the application for **visa** and entry procedure
- 7.) **Success:** Your migration to **Germany** and your **start of work**
- 8.) Follow-up **training** to align your vocational qualification
- 9.) **Family reunification** in Germany
